The Logistics

The idea is to have several local restaurants in one large tent serving their "Specialty Chili" to over 900 golfers. This, in turn, gives golfers a place to escape during the cold weather or after they have finished playing golf. The Chamber provides the tent, one 8-foot table and a heater in the tent. The Chamber will provide signage at the 19th Hole Tent, but you are also encouraged to provide your own signs to promote your business. The competition will be judged by a panel of select judges and will also be scored by the golfers themselves. A confirmation packet with additional information will be given upon registration. As a participating restaurant you would need to provide a food sampling for over 900 people, people to staff your area in the tent from 10:00a.m. – 4:00p.m. on Saturday, February 11th, 2012 and any cooking equipment. Only restaurants or businesses with a state-licensed kitchen are eligible to participate.
