

Exceptional Service Award of Excellence

Have you recently been given exceptional customer service –
the kind of service that makes you want to come back and do business again and again?

Reward that local business by nominating them for the EXCEPTIONAL SERVICE AWARD OF EXCELLENCE.

Be specific. Tell others what they did that was exceptional – above the average standards of service. Once a quarter a local company worthy of recognition for their exceptional customer service will be awarded this honor. The individual and their company will be featured in the local newspaper, the Greater Wayzata Area Chamber of Commerce newsletter, a podcast, and will receive a plaque for display in their business.

The Exceptional Service Award of Excellence is a collaboration of:
