

GREATER WAYZATA AREA CHAMBER OF COMMERCE

2023 ANNUAL REPORT

PRESIDENT'S NOTE

We're into 2024, but taking a moment to share the highlights of 2023, It was a terrific year and we are grateful for our members and this community! Our community events were successful from all perspectives. They provided highlights to the year, bringing business and community together to celebrate. Membership was strengthened with new programming and engagement, and more is underway this year. Your small but mighty Chamber Staff is humming on all cylinders, tackling 2024 as it comes, and excited to make it a year to remember. We celebrate the bumps, the new opportunities, and the rich history we have had together. Come, connect, and let's be a positive force together!
